RE: PERVIOUS CONTRACT PROJECT AT THE MARYLAND SCIENCE CENTER
RFP#BC-20982-P ADDENDUM #1

The following amends the above referenced RFP documents. Receipt of this addendum must be acknowledged by completing the enclosed "Acknowledgement of Receipt of Addenda" Form and submitting it along with the Technical Proposal to the University.

The deadline date for the Technical and Price Proposals to be submitted to the University remains as Monday, July 27, 2015 by 2:00 p.m.

A. QUESTION AND ANSWER:

1. QUESTION: Has there been an inquiry made as to what permits may be required and which agencies (City of Baltimore, MDE, etc.) may have a governing interest over the work to be performed under this RFP?
   ANSWER: The project plans and designs have been reviewed and approved by Baltimore DPW. A full permit application has been submitted to the City of Baltimore through the City's Housing Department. That permit is currently under review by each of the responsible City departments.

2. QUESTION: Are permit fees and/or running services to be covered in the proposal, or will UMBC be procuring permits and paying any associated fees directly to any agencies that may require said permits?
   ANSWER: We do not anticipate any permit fees to be required in the proposal. UMBC has covered permitting fees for pending and completed permit review. We do expect the contractor to be responsible for all waste and landfill disposal fees as described in the RFP.

Cc: Procurement File

END OF ADDENDUM #1 DATED 07/22/15

This addendum was posted to firms of record, eMaryland Marketplace and eBid Board on 07/22/15

(Original with enclosure was not mailed)
