RE: UMBC Online Alcohol & Title IX Training Web Software, RFP # BC-21076-R, ADDENDUM #2

The following amends the above referenced RFP documents. Receipt of this addendum must be acknowledged by completing the enclosed "Acknowledgement of Receipt of Addenda" form and submitting it along with the Price Proposal you return to the University.

The due date and time for the Technical & Price Proposals to be submitted to the University remain as TUESDAY, NOVEMBER 28, 2017 by 5:00 p.m., via UMBC Box.

A. The following questions were submitted for a response:

1. QUESTION: Please elaborate on #5 under mandatory: Judicial sanctions module (for alcohol and drugs) is this an additional course to standard alcohol and opioid education

   ANSWER: This has typically been a separate module for students who have been found responsible for alcohol/drug violations.

2. QUESTION: Also could you elaborate on #1 & 2 under highly desired: access to Raw Data and company issued reports?

   ANSWER: Raw data: if there is data to be collected on our students' behaviors as they're participating in the online education, we would like to have that data in an unsynthesized format. For example, if students enter their frequency of drinking/drugging behavior, we would like to have that in a format that is accessible to running our own statistical analyses to understand if there is a correlation between gender and drug behavior (as one example).

   Company issued reports: If data is collected (referenced in question 2), we would be interested in seeing how our UMBC student data compares to other users of the program and provided in a concise format.
