RFP # BC-20991-Q**

SECTION I: SUMMARY INFORMATION

A. SUMMARY STATEMENT

The University of Maryland Baltimore County (also called the “University” or “UMBC”) intends to establish a Contract with a qualified and reliable contractor(s) to provide complete service and repair of the UMBC’s bus fleet, including all parts and labor, excluding tires. All services and repairs are to be performed at the contractors’ place of business, therefore, the contractor must have the appropriate facility, tools/equipment, license and resources to perform the work. The detailed requirements and a complete list of the University-owned vehicles is provided in the attached **Appendix E**.

NOTE: Given the diversity of the fleet it’s possible that more than one award will be deemed appropriate. Multiple contractors would be taken into consideration in order to suit the University’s need for timely repairs and to best utilize the expertise/experience of the contractors.

For a Multi-Year Contract or any contract where pricing adjustments may be contemplated during the contract term or subsequent optional extensions terms (unless otherwise stated), it will be the responsibility of the Contractor to request a price increase, if any, at least **ninety (90) days prior** to the end of the then current contract term. Any price increase not received by that time, will *not* be considered and pricing in the renewal term will remain as stated during the just completed contract term. A price increase, if any shall not exceed the consumer price index for “All Urban Consumers” as published by the U.S. Department of Labor Statistics. For purposes of calculating the potential increase, the consumer price index for the twelve-month period ending at the previous calendar year. For example, if the contract term ends September 30, 2016, the price index for the twelve-month period ending **June 30, 2016** will be used. 1. Agree to provide certificates of insurance evidencing the above coverage for period of three (3) years after final payment for the contract. Such certificates shall evidence a retroactive date no later than the beginning of the Contractor's or subcontractor's work under this contract,
- or**
2. Purchase an extended [minimum three (3) years] reporting period endorsement for the policy or policies in force during the term of this contract and evidence the purchase of this extended reporting period endorsement by means of a certificate of insurance or a copy of the endorsement itself.

4. No "sunset" clauses shall apply.

5. **Additional information:**

The awarded firm(s) will provide all endorsements from the insurer itself (rather than the agent); and there will be a request to see all coverage declaration pages together with all endorsements (to confirm compliance with the coverage requirements.)

**SECTION IV:
EVALUATION AND SELECTION PROCEDURES**

A. EVALUATION AND SELECTION COMMITTEE

All vendors' proposals received by the closing deadline will be evaluated. The Procurement Officer shall establish an Evaluation and Selection Committee to review and rate the proposals. The Committee shall be composed of the Procurement Officer and any other individuals that the Procurement Officer may appoint. The Committee may request additional technical assistance from any source.

B. EVALUATION PROCEDURE

Qualifying Proposals – The Committee shall first review each proposal for compliance with the mandatory requirements of this RFP. Failure to comply with any mandatory requirement will disqualify a vendor's proposal. The University reserves the right to waive a mandatory requirement when it is in its best interest to do so. The vendor must assume responsibility for addressing all necessary technical and operational issues in meeting the objectives of the RFP.

C. EVALUATION OF PROPOSALS

1. **Technical Evaluation:** Technical Proposals will be evaluated by the University's Evaluation and Selection Committee before Price Proposals are requested. Technical Proposals will be evaluated based upon information provided in response to the desirable items in this RFP and the firms will be ranked.

Those proposals not considered "to be reasonably susceptible of being selected for award" may be rejected after evaluation of the Technical Proposals. Only those firms that are short-listed will advance/continue in this procurement process.

Upon completion of the technical evaluation, all proposers will be notified as to the results of the technical evaluation of its firm's technical proposal.

2. **Price Proposal Phase:**
 - 2.1 Only those firms who are shortlisted after the Technical Evaluation will be requested via an addendum to submit a Price Proposal.
 - 2.2 The University may elect to request Best & Final Price Proposal(s).

D. TECHNICAL PROPOSAL RANKINGS

Only short-listed firms will be considered for further evaluation.

E. PRICE PROPOSALS

Price Proposals are not requested at the time of submission of the Technical Proposal. Rather, Price Proposals will be requested only from those Proposers who are short-listed after the Technical Evaluation Phase. An addendum will be issued at the time in which Price Proposals are requested to confirm the due date and time.

1. **Price Proposal Form:** A sample Price Proposal form is included in **Appendix B** for information only. At the time requested, the final Price Proposal form will be provided to the applicable proposers.
2. **Price Proposal Due Date/Time:** Short-listed Proposers will be required to submit **one (1) original, two (2) electronic copies (CDs or Thumb Drives), plus one (1) copy (total of 4) of the Price Proposal** which date and time is anticipated to be **Monday, October 19, 2015 at 2:00 p.m.** to the Issuing Office. (Refer to Section 1, Item D-2 for more details.) UMBC reserves the right to photocopy additional copies of any or all parts of the proposal for the evaluation and selection process. Price Proposals will be opened privately.

F. FINANCIAL EVALUATION

The separate price volume of each qualified proposal will be evaluated following the completion of the technical evaluation. **Price Proposals will not be opened publicly.** Price Proposals will be evaluated based on the best total price to the University.

The University will establish a financial ranking of the proposals from lowest to highest total offers.

G. FINAL RANKING AND SELECTION

The resulting rankings from the technical and price evaluation of proposals will be used as a guide in determining the successful proposer(s). The Evaluation and Selection Committee will choose from among the highest ranked proposals that which will best serve the interests of the University in accordance with the University System of Maryland Procurement Policies and Procedures. **Technical merit will be given a greater weight than cost in the final ranking.**

H. CRITERIA FOR TECHNICAL EVALUATION

Minor irregularities in the proposals, which are deemed immaterial or inconsequential in nature, may be waived whenever it is determined to be in the best interest of the University.

If company literature or other publications are included and intended to respond to an RFP requirement, the response in this volume should include reference to the document name and page.

Technical volumes containing no such citations will be considered complete and without need to refer to other documents, i.e., the Evaluation and Selection Committee will not be required to refer to any additional documents for the vendor responses to RFP requirements during the evaluation process.

1. Contractor shall structure its procedures for the performance of the work required in this Contract to attempt to achieve the minority business enterprise (MBE) subcontractor participation goal stated in the Invitation for Bids or Request for Proposals. Contractor agrees to exercise good faith efforts to carry out the requirements set forth in these Instructions, as authorized by the Code of Maryland Regulations (COMAR) 21.11.03.
2. MBE Goals and Subgoals: Please review the solicitation for information regarding the Contract's MBE overall participation goals and subgoals. After satisfying the requirements for any established subgoals, the Contractor is encouraged to use a diverse group of subcontractors and suppliers from any/all of the various MBE classifications to meet the remainder of the overall MBE participation goal.
3. MBE means a minority business enterprise that is certified by the Maryland Department of Transportation ("MDOT"). Only MBEs certified by MDOT may be counted for purposes of achieving the MBE participation goals. In order to be counted for purposes of achieving the MBE participation goals, the MBE firm, including a MBE prime, must be MDOT-certified for the services, materials or supplies that it is committed to perform on the MBE Participation Schedule.
4. Please refer to the MDOT MBE Directory at www.mdot.state.md.us to determine if a firm is certified with the appropriate North American Industry Classification System ("NAICS") Code **and** the product/services description (specific product that a firm is certified to provide or specific areas of work that a firm is certified to perform). For more general information about NAICS, please visit www.naics.com. Only those specific products and/or services for which a firm is certified in the MDOT Directory can be used for purposes of achieving the MBE participation goals. **WARNING:** If the firm's NAICS Code is in **graduated status**, such services/products **may not be counted** for purposes of achieving the MBE participation goals. A NAICS Code is in the graduated status if the term "Graduated" follows the Code in the MDOT MBE Directory.

5. **NOTE: New Guidelines Regarding MBE Prime Self-Performance.** Please note that when a certified MBE firm participates as a prime contractor on a Contract, a procurement agency may count the distinct, clearly defined portion of the work of the Contract that the certified MBE firm performs with its own workforce toward fulfilling up to, but no more than, fifty-percent (50%) of the MBE participation goal (overall), including up to one hundred percent (100%) of not more than one of the MBE participation subgoals, if any, established for the Contract.
- ✓ In order to receive credit for self-performance, an MBE prime must be certified in the appropriate NAICS code to do the work and must list its firm in the MBE Participation Schedule, including the certification category under which the MBE prime is self-performing and include information regarding the work it will self-perform.
 - ✓ For the remaining portion of the overall goal and the remaining subgoals, the MBE prime must also identify on the MBE Participation Schedule the other certified MBE subcontractors used to meet those goals or request a waiver.
 - ✓ These guidelines apply to the work performed by the MBE Prime that can be counted for purposes of meeting the MBE participation goals. These requirements do not affect the MBE Prime's ability to self-perform a greater portion of the work in excess of what is counted for purposes of meeting the MBE participation goals.
 - ✓ Please note that the requirements to meet the MBE participation overall goal and subgoals are distinct and separate. If the contract has subgoals, regardless of MBE Prime's ability to self-perform up to 50% of the overall goal (including up to 100% of any subgoal), the MBE Prime must either commit to other MBEs for each of any remaining subgoals or request a waiver. As set forth in Attachment 1-B Waiver Guidance, the MBE Prime's ability to self-perform certain portions of the work of the Contract will not be deemed a substitute for the good faith efforts to meet any remaining subgoal or the balance of the overall goal.
 - ✓ In certain instances where the percentages allocated to MBE participation subgoals add up to more than 50% of the overall goal, the portion of self-performed work that an MBE Prime may count toward the overall goal may be limited to less than 50%. Please refer to GOMA's website (www.goma.maryland.gov) for the MBE Prime Regulations Q&A for illustrative examples.
6. Subject to items 1 through 5 above, when a certified MBE performs as a participant in a joint venture, a procurement agency may count a portion of the total dollar value of the contract equal to the distinct, clearly-defined portion of the work of the contract that the certified MBE performs with its own forces toward fulfilling the contract goal, and not more than one of the contract subgoals, if any.
7. As set forth in COMAR 21.11.03.12-1, once the Contract work begins, the work performed by a certified MBE firm, including an MBE prime, can only be counted towards the MBE participation goal(s) if the MBE firm is performing a commercially useful function on the Contract. Please refer to COMAR 21.11.03.12-1 for more information regarding these requirements.
8. If you have any questions as to whether a firm is certified to perform the specific services or provide specific products, please contact MDOT's Office of Minority Business Enterprise

at 1-800-544-6056 or via email to mbe@mdot.state.md.us sufficiently prior to the submission due date.

9. Worksheet: The percentage of MBE participation, calculated using the percentage amounts for all of the MBE firms listed on the Participation Schedule MUST at least equal the MBE participation goal **and** subgoals (if applicable) set forth in the solicitation. If a bidder/offeror is unable to achieve the MBE participation goal and/or any subgoals (if applicable), the bidder/offeror must request a waiver in Item 1 of the MBE Utilization and Fair Solicitation Affidavit (Attachment ___-1A) or the bid will be deemed not responsive, or the proposal determined to be not susceptible of being selected for award. You may wish to use the Subgoal summary below to assist in calculating the percentages and confirm that you have met the applicable MBE participation goal and subgoals, if any.

Total Asian American MBE Participation: _____ %

MBE UTILIZATION AND FAIR SOLICITATION AFFIDAVIT &
MBE PARTICIPATION SCHEDULE

This MBE Utilization and Fair Solicitation Affidavit and MBE Participation Schedule must be completed in its entirety and included with the bid/proposal. If the bidder/offeror fails to accurately complete and submit this Affidavit and Schedule with the bid or proposal as required, the Procurement Officer shall deem the bid non-responsive or shall determine that the proposal is not reasonably susceptible of being selected for award.

In connection with the bid/proposal submitted in response to Solicitation No. RFP-BC-20991-Q, I affirm the following:

1. MBE Participation (PLEASE CHECK ONLY ONE)

I acknowledge and intend to meet IN FULL both the overall certified Minority Business Enterprise (MBE) participation goal of **25** percent and all of the following subgoals:

- 0 percent for African American-owned MBE firms
- 0 percent for Hispanic American-owned MBE firms
- 0 percent for Asian American-owned MBE firms
- 0 percent for Women-owned MBE firms

Therefore, I am not seeking a waiver pursuant to COMAR 21.11.03.11. I acknowledge that by checking the above box and agreeing to meet the stated goal and subgoal(s), if any, I must complete the MBE Participation Schedule (Item 4 below) in order to be considered for award.

OR

I conclude that I am unable to achieve the MBE participation goal and/or subgoals. I hereby request a waiver, in whole or in part, of the overall goal and/or subgoals. I acknowledge that by checking this box and requesting a partial waiver of the stated goal and/or one or more of the stated subgoal(s) if any, I must complete the MBE Participation Schedule (Item 4 below) for the portion of the goal and/or subgoal(s) if any, for which I am not seeking a waiver, in order to be considered for award.

2. Additional MBE Documentation

I understand that if I am notified that I am the apparent awardee or as requested by the Procurement Officer, I must submit the following documentation within 10 Working days of receiving notice of the potential award or from the date of conditional award (per COMAR 21.11.03.10), whichever is earlier:

- (a) Good Faith Efforts Documentation to Support Waiver Request (Attachment ___-1C)
- (b) Outreach Efforts Compliance Statement (Attachment ___-2);
- (c) MBE Subcontractor/MBE Prime Project Participation Statement (Attachments ___-3A and 3B);
- (d) Any other documentation, including additional waiver documentation if applicable, required by the Procurement Officer to ascertain bidder or offeror responsibility in connection with the certified MBE participation goal and subgoals, if any.

I understand that if I fail to return each completed document within the required time, the Procurement Officer may determine that I am not responsible and therefore not eligible for contract award. If the contract has already been awarded, the award is voidable.

3. Information Provided to MBE firms

In the solicitation of subcontract quotations or offers, MBE firms were provided not less than the same information and amount of time to respond as were non-MBE firms.

4. MBE Participation Schedule

Set forth below are the (i) certified MBEs I intend to use, (ii) the percentage of the total Contract amount allocated to each MBE for this project and, (iii) the items of work each MBE will provide under the Contract. I have confirmed with the MDOT database that the MBE firms identified below (including any self-performing MBE prime firms) are performing work activities for which they are MDOT certified.

14. **CONFLICT OF INTEREST LAW**: It is unlawful for any University officer, employee, or agent to participate personally in his official capacity through decision, approval, disapproval, recommendation, advice, or investigation in any contract or other matter in which he, his spouse, parent, child, brother, or sister, has a financial interest or to which any firm, corporation, association, or other organization in which he has a financial interest or in which he is serving as an officer, director, trustee, partner, or employee, or any person or organization with whom he is negotiating or has any arrangement concerning prospective employment, is a party, unless such officer, employee, or agent has previously complied with the provisions of Article 40A, §3-101 et seq of the Annotated Code of Maryland.
15. **CONTINGENT FEE PROHIBITION**: The Contractor, Architect, or Engineer (as applicable) warrants that it has not employed or retained any person, partnership, corporation, or other entity, other than a bona fide employee or agent working for the Contractor, Architect, or Engineer, to solicit or secure this agreement, and that it has not paid or agreed to pay any person, partnership, corporation, or other entity, other than a bona fide employee or agent, any fee or any other consideration contingent on the making of this agreement.
16. **INTELLECTUAL PROPERTY**: Contractor agrees to indemnify and save harmless the State, its officers, agents and employees with respect to any claim, action, cost or judgment for patent infringement, or trademark or copyright violation arising out of purchase or use of materials, supplies, equipment or services covered by this Contract.

The Contractor is responsible for any and all costs incurred by the University in remediating spills or releases of materials he/she introduced onto the job site.
19. **TERMINATION OF MULTI-YEAR CONTRACTS DUE TO LACK OF APPROPRIATIONS**: If the General Assembly fails to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of this Contract succeeding the first fiscal period, this Contract shall be canceled automatically as of the beginning of the fiscal year for which funds were not appropriated or otherwise made available; provided, however, that this will not affect either the State's rights or the Contractor's rights under any termination clause in this Contract. The effect of termination of the Contract hereunder will be to discharge both the Contractor and the State of Maryland from future performance of the Contract, but not from their rights and obligations existing at the time of termination. The Contractor shall be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the Contract. The State shall notify the Contractor as soon as it has knowledge that funds may not be available for the continuation of this Contract for each succeeding fiscal period beyond the first.

20. **TERMINATION FOR DEFAULT:** If the Contractor fails to fulfill its obligation under this contract properly and on time, or otherwise violates any provision of the contract, the University may terminate the contract by written notice to the Contractor. The notice shall specify the acts or omissions relied upon as cause for termination. All finished or unfinished work provided by the Contractor shall, at the University's option, become the University's property. The University shall pay the Contractor fair and equitable compensation for satisfactory performance prior to receipt of notice of termination, less the amount of damages caused by Contractor's breach. If damages are more than the compensation payable to the Contractor, the Contractor will remain liable after termination and the University can affirmatively collect damages. Termination hereunder, including the determination of the rights and obligations of the parties, shall be governed by the provisions of USM Procurement Policies and Procedures.
21. **TERMINATION FOR CONVENIENCE:** The performance of work under this Contract may be terminated by the University in accordance with this clause in whole, or from time to time in part, whenever the University shall determine that such termination is in the best interest of the University. The University will pay all reasonable costs associated with this Contract that the Contractor has incurred up to the date of termination and all reasonable costs associated with termination of the Contract. However, the Contractor shall not be reimbursed for any anticipatory profits that have not been earned up to the date of termination. Termination hereunder, including the determination of the rights and obligations of the parties, shall be governed by the provisions of USM Procurement Policies and Procedures.
22. **DELAYS AND EXTENSIONS OF TIME:** The Contractor agrees to perform this agreement continuously and diligently. No charges or claims for damages shall be made by the Contractor for any delays or hindrances, regardless of cause, in the performance of services under this Contract. Time extensions will be granted only for excusable delays that arise from unforeseeable causes beyond the control and without the fault or negligence of the Contractor, including but not restricted to, acts of God, acts of the public enemy, acts of the State in either its sovereign or contractual capacity, acts of another Contractor in the performance of a State Contract, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, or the delay of a sub-contractor or supplier arising from unforeseeable causes beyond the control and without the fault or negligence of either the Contractor or the subcontractors or suppliers.
23. **VARIATIONS IN ESTIMATED QUANTITIES:** INTENTIONALLY DELETED - N/A
24. **LIQUIDATED DAMAGES:** Time is an essential element of the Contract and it is important that the work be vigorously prosecuted until completion. For each day that any work shall remain uncompleted beyond the time(s) specified elsewhere in the contract, the Contractor shall be liable for liquidated damages in the amount(s) provided for in the solicitation, provided, however, that the due account shall be taken of any adjustment of the specified completion time(s) for completion of work as granted by approved change orders.

25. **SUSPENSION OF WORK**: The procurement officer unilaterally may order the Contractor in writing to suspend, delay or interrupt all or any part of the work for such period of time as the Procurement Officer may determine to be appropriate for the convenience of the University.
26. **PRE-EXISTING REGULATIONS**: In accordance with the provisions of Section 11-206 of the State Finance and Procurement Article, Annotated Code of Maryland, the regulations set forth in USM Procurement Policies and Procedures in effect on the date of execution of this Contract are applicable to this Contract.
27. **FINANCIAL DISCLOSURE**: The Contractor shall comply with the provisions of Section 13-221 of the State Finance and Procurement Article of the Annotated Code of Maryland, as from time to time amended, which requires that every business that enters into contracts, leases or other agreements with the State of Maryland or its agencies during a calendar year under which the business is to receive in the aggregate \$100,000 or more, shall, within 30 days of the time when the aggregate value of these contracts, leases or other agreements reaches \$100,000, file with the Secretary of State of Maryland certain specified information to include disclosure of beneficial ownership of the business.
