Enter the ZIP code or city and state of the shipping, delivery or pickup destination for accurate pricing and fulfillment options.

ZIP Code or City, State **SUBMIT**

Select the Catonsville Lowe's location and hit "continue shopping"

Delivery Options. Lowe's punch-out has multiple options for deliveries.

Depending on the item, the punch-out might offer: free store pick up, truck delivery (most expensive method), and shipping (shipped from a distribution center and usually the cheaper method compared to the local store "truck delivery" option).

If an item is available at a nearby local store and “truck” delivery option is selected, there will be a minimum shipping charge of \$20 added to the order. If an item is available to be shipped from a distribution center, the minimum shipping charge starts at \$5.99.

If the item is to be picked up at the Catonsville store, please print out the email confirmation and present your UMBC ID when picking up your order at the local store. This option is always free of charge.
